PISD ATHLETICS MISSION STATEMENT

We provide the most important values and lessons through athletics while developing the overall student athlete into a ***better athlete and a better person*** who respects ***all*** members of their program and celebrates their contributions.

ATHLETIC CODE OF CONDUCT

Prosper ISD Student Athletes are held to a higher standard of conduct because they are part of an Athletic program. If there are any co-curricular violations - drinking, vaping, etc - your athlete **WILL** have additional consequences from Athletics which will result in extra conditioning or even suspension. After repeated incidents, removal from PISD athletics may be necessary.

Educational Athletics vs Entertainment Athletics

Our athletic program will be one based on Educational Athletics as opposed to Entertainment Athletics. The character taught within Educational Athletics influences others in a positive way & helps create a positive culture for the entire school. Educational Athletics will teach students to Honor themselves, Honor their teammates, Honor their sport and Honor their opponent.

Educational Athletics vs. Entertainment Athletics

- ❑ PISD trainers are available by appointment for consultation and treatment for injuries.
- ❑ The trainers are located at the indoor facility at Walnut Grove HS. This year Rogers will have trainer on site at certain times of the day.
- ❑ A doctor or trainer note will be needed if the injury prevails.
- ❑ Injured athletes are required to be at practice and dressed out. Practices will not have to be made up if the athlete is paying attention and engaged in the practice plan.
